We're so proud of our most recent graduate, Bryce Gagne! Bryce attended Morrison Center's Special Purpose Private School in Scarborough for many years and has accomplished so much academically. Bryce received his Kennebunk High School (RSU 21) diploma on Friday, June 17th from Morrison Center Director of Educational Services, Gail Keith. Morrison Center Board Secretary Tim Thompson delivered the commencement address and Ed Tech Adam Berk shared some words about his work with Bryce. Congratulations to Bryce and the Gagne Family!

## Case Management now in Washington County

This winter, Morrison Center added a case management office in Pembroke, Maine. We are happy to be providing Adult Case Management in the Down East region in addition to our strong presence from York to Penobscot County.

## Meet Morris the Moose!

Our new school mascot, Morris, can be seen in the Scarborough lobby and sometimes caught in person if you're lucky! You can also find pint-sized Morris stuffed animals in our Merch Store.

## Employees of the Month!

Please join us in celebrating our employees of the month for June! This is our first month of this program that will continue throughout the year and culminate with an Employee of the Year next summer. Staff are nominated by their peers and supervisors for being champions of Morrison Center and exuding a positive and collaborative spirit.

## Major Grant Announcement!!

Morrison Center recently received a \$25,000 grant from the Sam L. Cohen Foundation for operational support of our Farm to Table Program! This program is entering its third year and we are expanding production and offerings.

The foundation has provided tremendous support to Morrison Center's mission over the years and we deeply appreciate their continued investment in our programs and services!

**SAM L. COHEN**  
FOUNDATION

Frank and Eleanor Langlois, friends and supporters of Morrison Center, both strongly valued community. Their generosity will allow our community to continue to grow for years to come. To honor their legacy, we're placing two Adirondack chairs at our locations throughout the state. When you see these chairs throughout Maine, have a seat, and think of Frank and Ellie.
